PROFILE

Project coordinator with 5 years of experience supporting delivery teams, tracking milestones, managing risks, and keeping stakeholders aligned. Skilled in project planning, reporting, meeting coordination, Jira, Microsoft Project, and supplier follow up.

KEY SKILLS

Project planning and tracking	Jira and Confluence
Microsoft Project	Risk and issue logs
Stakeholder updates	Budget and supplier support

EXPERIENCE

Project Coordinator | GreenRoute Energy | May 2022 - Present

- Coordinated delivery plans for field, engineering, finance, and supplier teams across 12 sites.
- Maintained RAID logs, action trackers, project calendars, and weekly status packs.
- Improved meeting follow up by creating a standard action template with owners and due dates.
- Supported purchase order tracking and invoice checks for equipment and installation partners.

Operations Assistant | CivicWorks Consulting | Sep 2019 - Apr 2022

- Organized workshops, client meetings, travel plans, minutes, and internal project folders.
- Prepared project progress summaries and gathered updates from consultants before deadlines.
- Helped onboard new starters by maintaining checklists and coordinating account setup.

SELECTED PROJECTS

- Office move coordination for 80 employees with phased supplier scheduling.
- New reporting pack for senior stakeholders covering scope, budget, risks, and next steps.
